Classroom News

Novel Studies:

2nd-3rd grades: *The Best Christmas Pageant Ever*

4th grade: *The Family Under the Bridge*

5th – 6th grades: *A Christmas Carol*

Upcoming STEM Challenges

Tallest Tree- Construct the tallest “tree” possible using stackable cups.

Gingerbread House – Design a gingerbread house using limited material

Shelf for the Elf- Engineer the highest shelf possible using limited materials.

Santa’s Parachute- Construct a parachute and basket for Santa that will drop on a target and land without the basket tipping over.

Gingerbread Escape - Create a working zipline for your gingerbread man to escape being eaten.

We plan to have a Christmas/holiday celebration on your child’s TAGS day the week of December 6th. Please look for more information through a note and School Status.

From my family to yours,
Merry Christmas
