

Happenings at Senatobia/Tate County CTC

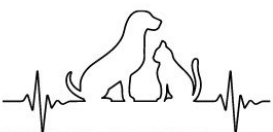

APRIL 3, 2023
ISSUE 7

MR. ANGLIN'S AG CLASSES AT INDEPENDENCE HAVE BEEN BUSY

The AG Mechanics Class toured Batesville Tooling and Design and the NWCC Diesel Technology School. Then the FFA/Animal Science students attended the MSU College of Veterinary Medicine Open House.

Students on the AG mech trip are Ashton Goad, Jaylon Robinson, Lane Austin, Jay Copeland, Keitavious Moore, and Artavion Green.

Students who visited the vet school open house are Shayna Collins, Madalynn Mayer, and Londyn Simpson.

STATE SKILLS USA COMPETITION

David Taylor competed in the State Skills USA, Carpentry division, in Jackson on March 7, 8, and 9. Michael Taylor, instructor, and Dylan Wade, Helper, were present, also.

David finished Second in district competition in order to qualify for the state competition. Although he did not finish in the top 3 at state, the experience was great.

Participants in the competition were given a blueprint and had to build a shooting stand from scratch. They could receive no outside instruction, but had to rely on their knowledge learned in their class.

STATE HOSA COMPETITION

Zainab Al Zerkani, Destyne Turner, Jennifer Renteria
1st Place-Creative Problem Solving

Madison Richardson
State Vice President

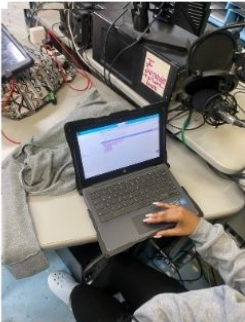

Twelve students in the Health Science class participated in the State HOSA Competition in Jackson, MS March 28 thru 30. Three students (pictured above left) won first place in Creative Problem Solving and Madison Richardson was elected the new State Vice President. Jakeela Little, Shelby West, and Jordan Knox competed in the Health Issues exam and placed in the top 45 which lets them compete at nationals in Dallas.

MS. MIMS CYBER CLASSES ARE ALWAYS ACTIVE.
