Health Science Competitions

Health science students participated in Regional competitions at Starkville on January 28, 2023. Five first year, six second year, and one third year student competed. A total of 14 Health Science students will be competing in state competitions in Jackson the 28th thru 30th of March.

DECA COMPETITIONS

Jimilyah Harmon, Kamia Jordan and Makyia Black placed second in the writing event, where they were required to write a Business growth plan and are judged on their writing and presentation in front of a judge. McKayla Pierce and Gavin Pierce placed 5th in the start-up business plan and were judged on their writing and presentation, also.

DECA NATIONALS

The DECA competition was February 16th and 17th in Tupelo, MS. Both teams are going to the ICDC DECA National Competition on April 22-26th in Orlando, FL. The second place winners will be competing in the Business Growth Plan competition and the 5th place team will participate in workshops to learn about being officers and leaders. They will have the opportunity to meet DECA Members from all over the world.

HEALTH SCIENCE CLASSES VISIT NORTHWEST

On Thursday, February 23, 2023, twenty two first year and twelve second year Health Science students toured the Health Science programs at NWCC. They toured Physical Therapy programs received information regarding admission requirements, saw demonstrations in the EMT and Paramedic programs, were able to participate in demonstrations in the Nursing department, and received information in the phlebotomy department, etc. The staff at Northwest was great and everyone appreciated the tour and the information.
