Extracurricular Activities Participation

A student who is enrolled in any grade higher than Grade 6 in a school district in this state must be suspended from participation in any extracurricular or athletic activity sponsored or sanctioned by the school district after a semester in which the student's cumulative grade point average is below a 2.0 on a 4.0 scale. The suspension from participation in extracurricular or athletic activities may not be removed until the student's cumulative grade point average in a succeeding semester is 2.0 or higher on a 4.0 scale. A student with a cumulative grade point average below a 2.0 on a 4.0 scale at the semester of an academic school year shall be suspended from participation in extracurricular or athletic activities in the succeeding academic school year until the student's cumulative grade point average is 2.0 or higher on a 4.0 scale.

Students will not be allowed to attend extracurricular activities if they are serving a suspension or if they are currently enrolled in the Alternative School.

"Extracurricular" is defined as, organization-sponsored student activities which require administrative provision and student involvement outside the time allocation for instruction. This would specifically apply to organized practice or competition which requires additional inputs of students' time outside the normal school day. Extracurricular activities will be those activities presently governed by the Mississippi High School Activities Association.
